

All About at KiKi's Out of School's Club

We are looking forward to meeting you when you come to KiKi's Out of School's Club. Below is some more information about us and what we do so you can have a better idea of what our play session will look like on the day.

Who are we?

You will meet some of these adults when you come along:

Amanda works as the manager across KiKi's Out of School's Club and KiKi's Playscheme throughout the year. Amanda is a mum to Daisy who will work alongside her. Amanda loves playing games with children. She will often ask children what they have enjoyed and work their interests and ideas into future playschemes.

Kim works across all settings as a very creative playworker. Kim is a mum to two girls. Kim will keep your children busy creating games. Kim is incredibly playful, she will be found in a role play area or getting mess in the tuff tray.

Maya is one of our newest recruit. Maya works in playschemes as she is still studying during term time. Maya loves helping children and she is really good at helping children make slime.
